

Guidelines procedure to be adopted to by the Government Department s to host/update their Mobile app on Common Appstore.

**Government of Gujarat
Science & Technology Department,
Circular No.: CSP/10/2016/7885/IT
Sachivalaya, Gandhinagar
Date: 23rd February 2017**

Circular:

Technology and devices have become an integral part of human life. The development of mobile communication technologies has created a new platform for Governments to reach out to a much larger number of people and has equally facilitated citizens to access Government information and services “anytime, anywhere” eliminating the barriers of time and space.

To avail the services through mobile devices many Govt. departments has develop or intended to develop Mobile App for their department functions and services.

To host the mobile app in each platform it is required to have a Common Appstore for all Mobile App developed or being developed in Government of Gujarat so that it becomes more reliable to government and citizens to access the same.

In the above regard, all the Administrative Departments are hereby requested to host their department’s mobile app on Common Appstore of Government of Gujarat.

The format for the hosting/updating of Mobile App on this Common Appstore is attached herewith. This guideline is to be complied and followed by all the users of Government of Gujarat.

GIL’s Mobile App Administration Team is responsible for hosting/updating the mobile app on behalf of various departments and facilitates them for the hosting of their apps on a Common Appstore. A monthly report in this regard is to be sent to the Department of Science and Technology by GIL (Implementing Agency) of App hosted/updated on this Common Appstore.

By order and in the name of the Governor of Gujarat,

(Hemang Purohit),
Deputy Secretary (IT),
Science & Technology Department.

To,
